Theme: Let's Eat Italian

**This meal taking place is dependent on a MINIMUM of 15 Bookings**

Chef Andy Bradshaw is once again cooking for us. The Mediterranean dishes that he served up at our last meal were so highly complimented that without doubt his Italian dishes will be just as pleasingly appetising

Although Covid rules and regulations have loosened we don't want to lose sight that the pandemic has not gone away so we are still behaving in a cautious manner i.e. hands, face, space, fresh air

Prior to lockdown Andy Bradshaw was head chef at The Wise Man, West Stafford. He has worked in the catering industry for the past 22 years. Now he provides fresh, local personal catering for weddings, parties, corporate events and everything in between

**Andy will serve us a 2-course meal @ £19.50 pp (your choice of starter + main OR main + dessert) OR a 3-course meal @ £22.50 per person (your choice of a starter, main and dessert)**

**Bring your own drinks (alcoholic/soft etc.) Glasses & tap water will be on the table**
